JOINT MEMORANDUM PURSUANT TO LOCAL RULE 116.5(a)

The United States of America and the defendant, through counsel, hereby submit this joint memorandum addressing Local Rule 116.5(a). Discovery is proceeding to the satisfaction of all parties, and the defendant is reviewing the material produced. As a result, the government and the defendant request that the initial status conference scheduled for July 30, 2024, be cancelled and an interim status conference date established in approximately 45 days.

I. Local Rule 116.5(a)(1)

On July 11, 2024, the government produced automatic discovery as required by Fed. R. Crim. P. 16 and Rules 116.1(c) and 116.2 of the Local Rules of the United States District Court for the District of Massachusetts, as well as discovery beyond that required by these rules. There are presently no pending discovery requests.

II. Local Rule 116.5(a)(2)

The government will provide discovery in response to any future request(s) according to the local rules and pursuant to the Federal Criminal Rules of Criminal Procedure, including any supplemental discovery if any additional materials are obtained.

III. Local Rule 116.5(a)(3)

The defendant needs additional time to review the government's automatic discovery

before determining whether it will be necessary to file a request for additional materials.

IV. Local Rule 116.5(a)(4)

The parties have not requested a protective order for discovery in this case.

V. Local Rule 116.5(a)(5)

The parties agree that it is too early to set a motion schedule under Fed. R. Crim. P. 12(b).

VI. Local Rule 116.5(a)(6)

The parties have yet to agree on an appropriate schedule for expert disclosures. The parties intend to propose a schedule prior to the Final Status Conference.

VII. Local Rule 116.5(a)(7)

The government and the defendant agree that the period from the defendant's arraignment upon the indictment through July 30, 2024, the date set for the initial status conference, was properly excluded by this Court's order on excludable delay. [D.16]. The government and the defendant further agree that the time period between July 30, 2024, and the next status conference should be excluded because the parties have been and are using the period of the continuance to complete review of discovery. Therefore, the parties request that this Court find that the ends of justice served by excluding the period of this continuance outweigh the best interest of the public and the defendant in a speedy trial, pursuant to 18 U.S.C. § 3161(h)(7)(A).

VIII. Local Rule 116.5(a)(8)

The government and the defendant request that an interim status conference date be established approximately 45 days in the future.

Defendant
